

## 4-head rolling burner V4/45

Art.-Nr. 0131 0000 + 0132 0000

### For holohedral heat-sealing of bituminous roofing material.

- The whole width of the roofing material is melted simultaneously
- The burner can be tipped over via the big pulleys, so that the heat-seal position is changeable
- Head diameter of all designs 45 mm

### Technical data:

Max. heat output:	177,8 kW
Heads:	4 x 45 mm
Total Length:	approx. 1.200 mm
Width:	580 mm
Weight:	approx. 4,2 kg

Burner	Part No.
V 4/45 4-heads 177,8 kW (150.000 kcal./h)	0131 0000
V 4/45 4-heads 177,8 kW (150.000 kcal./h)	0132 0000

### Accessories:

Product	Part No.	Figure
5 m High-pressure hose 6,3 x 5 incl. medium pressure regulator 4 bar and integrated hose failure valve	1507 0000	

10 m High-pressure hose 6,3 x 5  
incl. medium pressure regulator 4 bar 1508 0000  
and integrated hose failure valve
