

Petrol operated Roof Stripper GDS 10

Art.-Nr. 5138 0000

NEW

For clearing roof sheeting and roof insulation materials

Replaces petrol operated Roof Stripper BE 600!

Petrol operated Roof Stripper GDS 10

Art.-Nr. 5138 0000

For clearing roof sheeting and roof insulation materials

Replaces petrol operated Roof Stripper BE 600!

This high-performance device quickly peels off pre-cut old roof coverings without manual effort and doesn't require a power source.

- High drive power thanks to a powerful Honda four-stroke petrol motor
- Forward and reverse operation for easier handling
- Hydraulic propulsion and knife drive
- Infinitely variable travel speed
- High performance thanks to wide stripping plate
- Very agile thanks to compact design
- Borderless work possible
- 1.700 strokes per minute per side in alternation

Technical data:

Drive motor:	Honda four-stroke petrol, 11.1 HP
Drive and blade drive:	hydraulic
Travel speed:	infinitely adjustable up to approx. 4 m/min.
Stripping plate:	approx. 700 mm wide
Length:	approx. 1.750 mm
Device width:	approx. 660 mm
Track width, outer:	approx. 640 mm
Height:	approx. 1.000 mm
Weight:	approx. 350 kg
Knife strokes per minute:	approx. 1.700 pro Seite
