

## Super Turbo

Art.-Nr. 0121 0000

This burner is unrivaled in performance for drying or bonding.  
The flame is generated by high pressure and turbo design. It saves valuable time as it out-performs other burners.

### Technical data:

|                   |                 |
|-------------------|-----------------|
| Max. heat output: | 147,1 kW        |
| Total Length:     | approx. 800 mm  |
| Head Ø:           | approx. 75 mm   |
| Weight:           | approx. 1,20 kg |

# The new handgrip

---

With solid brass workmanship to withstand the workload.  
The controls give graduated adjustable working flame.

## Tube

---

Manufactured from strengthened, nickel plated, steel pipe.  
Extra strong screw threads.

## Unbreakable heads

---

Manufactured from refined stainless steel.
